Sponsorship Prospectus

Hackathons are invention marathons. Programmers, designers, builders, and others come together to learn, build, and share their creations over a weekend.

LauzHack is a student-run hackathon whose **fifth in-person edition** will take place at **EPFL**, the Swiss Federal Institute of Technology in Lausanne, on the weekend of **December 3-4, 2022**.

During LauzHack, **250 students** will build their dreams in a weekend, and we will award prizes to the most impressive projects.

Your company can reach out to the most innovative students with your newest APIs and tools, enabling participants to build all kinds of projects. Host a **tech talk** to show off your exciting tech, **challenge** students to innovate around your ecosystem, and **recruit** your next employees!
